

Dominion celebrates its 45th birthday with a month of fun!

A culmination of birthday activities and competitions came to an end with a fun-filled party for the staff and 180 students on 31st October to celebrate the 45th birthday of this wonderful school. There were party tricks, party hats, over 200 balloons and a huge cake big enough for a slice each for our students. The 45 second challenges were lots of fun. There were physical challenges, NZ culture and food challenges and a balloon test. They were thoroughly enjoyed by the staff, principal and all the students together.
