Tamwood Language Centres Vancouver and Whistler

Founded in 1992, Tamwood International operates a number of carefully designed and managed English Language schools, Camp programs and Work Experience programs across Canada and in the United States. All of the Tamwood International programs have been selected for their excellent locations, their modern facilities, their proximity to popular attractions and their professional environments.

Whistler

Tamwood’s English school in Whistler is located in the center of North America’s number one holiday resort destination, and is only two hours by car from Vancouver. Come and enjoy our mountains, lakes, rivers, shopping, restaurants, great social life, nightclubs and outdoor activities including: skiing, snowboarding, hiking, tennis, golf, paragliding, white water rafting, kayaking, mountain biking, rock climbing, in-line skating ... Whistler has it all!

Vancouver

Known as one of the world’s most beautiful and vibrant cities, Vancouver is Canada’s third largest city and has a population of over 2 million people, making it a great place to study English, do an internship / work program, and have fun! Vancouver is a modern and safe city offering international students stunning mountain and ocean scenery and a vast array of outdoor and entertainment options, events, attractions and services.
