

## High Quality Family Courses at Kingsway

Sunday 9 July – Sunday 6 August 2017

1, 2, 3 or 4 week courses suitable for ages 13-17 and 25+

### What is a family course?

A Kingsway family course enables parents and teenagers to study with the same high quality organisation in the same location. The two age groups are taught on separate sites, which are only 500 metres apart, but both managed by Kingsway – a very small, family run school with a reputation for excellence. Adults study in a calm and comfortable environment where the average age is 44, whilst the teenagers are with their own age group and have their own packed programme of English and activities.

### Adult Programme

Adults can choose any of our courses: General English or Business English, group course or 1:1 or a combination of any two elements.

Our General English Group courses are suitable for anyone who has an elementary level or above and the maximum class size is 6. Beginners can take a 1:1 course.

See here for the full range of courses and prices:

### Teenage Programme

The summer school is based at the prestigious Royal Grammar School, located only 500 metres from the adult school, and is suitable for anyone aged 13-17 except complete beginners.

The programme includes 18 hours/week of English lessons, half-day trips, full-day trips, evening activities and hot lunches during the week. A typical class size is 8-12 students.

## Location – Worcester, Central England

Worcester is a small, historic city in a beautiful location on the River Severn with a magnificent cathedral in the heart of the city. Away from large numbers of tourists, it is the perfect place to come and learn English. Kingsway is the only English language centre in Worcester and has been in the city for nearly 30 years.

## Accommodation

We have a number of accommodation options for families, subject to availability. All provide breakfast and an evening meal, and most are within walking distance of both schools.

- **Executive homestay:** parent in a double room with en-suite bathroom (£294/week) and teenager in a single or twin room with shared bathroom (£168/week).
- **Regular homestay:** parent and teenager in single or twin rooms (£168/week each).
- **Different homestays:** parent can choose the category of accommodation but teenager will be in regular homestay (£168/week).
- **Kingsway self-catering apartment:** one double bedroom and one single bedroom, 200 metres from our adult centre and 300 metres from summer school (£495/week).

## Travel

Students should arrive and leave on a Sunday. Our nearest airport is Birmingham Airport (BHX) which is 60 km from Worcester.

We offer airport transfers from Birmingham Airport to your homestay accommodation for GBP £65 each way. However, we can pick you up from any UK airport; see our website for prices. Families travelling together can share the cost of a transfer.
