Our Partnership

IALC is very proud of its partnership with Edvisor, the industry leading B2B booking platform. Perhaps, it has never been more important for agents and schools to look at the administrative processes of the language industry and implement solutions to improve workflow. Efficiency is imperative and I am confident that both agents and IALC schools will be able to realize significant cost savings through this effective partnership.

Digitalizing your Pricing

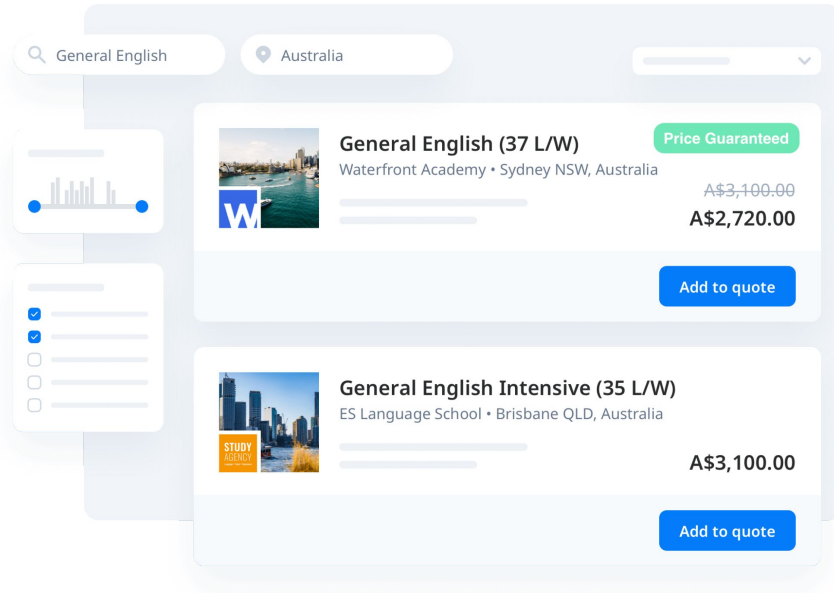

The screenshot displays the Edvisior website interface for course selection. At the top, the logo 'Estudiar | EDUCATION TRAVEL' is visible alongside navigation links for Destinations, Travel Guide, Travel Insurance, About Us, and Contact. A search bar with a 'Choose a course' placeholder is positioned at the top center. Below the search bar, there are filters for 'Modify Search', 'Matching Courses', 'Currency' (set to Default), and 'Sort by' (set to Rank). Three course listings are shown:
