

Students agree to follow all hygiene rules and safety regulations as defined on the French Health Ministry website and by the French government’s decrees.

Health & safety recommendations and rules are subject to change as the pandemic evolves.

Some of these include:

- Regular, proper hand washing and sanitising
- maintaining physical/social distance of minimum 1 meter, refraining from personal contact with other students, staff and teachers (no handshakes, no kissing or hugging)
- Wearing a mask is mandatory in public transportation

COURSE ORGANIZATION

In order to avoid photocopies circulating in class, numeric resources will be favoured.

Please bring your laptop or tablet to access the material needed for your course.

.....

- §11. Students must arrive at school at the time given to them and must **disinfect their hands upon arrival at school.**
- §12. **Students agree to arrive with a clean mask** everywhere in school.
- §13. Students agree **to sanitise and disinfect several times a day all equipment they wish to use at school** (phones/tablets/laptops etc), and not sharing any personal items (i.e. masks, pens, phones/tablets, cutlery etc) unless disinfecting them beforehand.
- §14. Students will bring **their own thermometer** and check their temperature every morning before going to school. In case of fever, they should stay at home and inform the school.
- §15. Students must inform the reception staff with no delay in case of any sign of infection (caught, fever etc). They will then follow their instructions.
- §16. In case of contamination, quarantine might be demanded by Health authorities to a student or a contact case. Students will have to self-isolate at their own expense.
- §17. Anyone found not complying with Health & Safety Regulations inside or outside the school or Accommodation will not be allowed in the school or accommodation /school/ transport, and will have return home at their own expense with no possibility of refund.
- §18. ACCOMODATION:
Students must follow the sanitary rules given by each residence and hotels upon arrival.
Wearing a mask is mandatory in all common parts of residences and hotels.
They will also respect as much as possible the barrier gestures in host families.
