# Leeds - The Pride of the North

## The Pride of the North

From the moment you arrive in Leeds, you will be amazed at the vibrancy and energy of the city. With a world-renowned university, a large student population and a limitless range of cafes, restaurants and nightspots, Leeds is a city that can cater for all tastes. The North of England is famous for its hospitality and you are sure to experience the warmest welcome in Leeds!

Although one of the UK's smallest and safest cities, Leeds still boasts the attractions and amenities you can expect in a large city.

We are based at Swarthmore Education Centre and at Leeds City College University Centre. They are next door to each other and walking distance from the city centre and CES Leeds main school. Our professional team will ensure that students improve their English skills, are safe and have plenty of fun!

# The School

## The Campus

**Leeds City College University Centre** and **Swarthmore Education Centre** are large education establishments co-located about 10 minutes on foot from our main school at Park Place, in easy walking distance from the town centre and bus stops. As the sole user of the facilities in July, we restrict access to ensure a safe environment for our students. Combined, the schools offer 20 modern classrooms, two coffee shops, a sprung-floor dance hall where we have our discos and assemblies and a private patio garden.
